Dear Parents and Students,

Welcome to East Voyager Academy. Founded in 2018, EVA is a tuition free public charter school with an instructional focus on Chinese language immersion. The chart below shows that language immersion is just the beginning of what makes East Voyager Academy a great choice for your students.

The mission of the East Voyager Academy is to graduate its students with English-Chinese bilingual proficiency, strong academics, and intercultural competence.

The administrative team maintains an open-door policy realizing that strong partnerships with parents will benefit the children we serve. Our school motto is **Learners Today, Leaders Tomorrow**. To reflect our school motto in action we refer to students in elementary grades as our “Learners” and our middle school students as our student “Leaders.” As our students advance in their grades and studies, we expect them to become more independent and to serve as role models for younger students. Through teamwork and collaboration, here we grow leaders for tomorrow!!

Sincerely,

Renee Mathews, Principal/CEO

ACADEMIC RECOGNITION

At the end of each nine-week grading period, grades are reviewed to determine qualification for the “A” and “A/B” honor rolls. Students who qualify for the “A” or Principal’s honor roll must maintain a minimum average of 90 in each subject in which he/she is enrolled. Students who qualify for the “A/B” honor roll must maintain a minimum average of 80 in each subject in which he/she is enrolled. For the annual honor roll recognition, students must remain on the honor roll every grading period.

ALCOHOL AND DRUG USE

Possession, sale, distribution, use, in any amount, of alcohol, marijuana, hallucinogenic drugs or any other controlled substance is prohibited. No student will possess, market, or distribute any substance which is represented to be or is substantially similar in color, shape, size or markings of a controlled substance. Students in violation of this policy will face severe disciplinary action up to and including expulsion.

ANNOUNCEMENTS

General student announcements will be made at 8:00 each morning via Google Classroom. Parent information will be shared via class newsletters on ClassDojo, announcements on Facebook and BrightArrow Texts/Email.

ARRIVAL AND DEPARTURE TIMES

Morning - Morning drop-off carline begins at 7:15 a.m. This time is when the building is open and appropriate supervision is provided. Morning car line ends at 7:55 a.m. We request that parents do not park and walk students into the building. Students are counted as tardy at 8:00. **Afternoon** - Dismissal begins at 3:15 and ends at 3:45. Students will remain in their classroom until called to the car line. Students attending ASPIRE after school will remain in classrooms until called for ASPIRE.

ASSESSMENTS

Our goal is for all tests and exams to be positive learning experiences. We use formative and summative assessments. Formative assessments inform teachers of the students' current mastery and provide valuable feedback for future instruction. Summative assessments provide a sum of what students have learned over a specific time period.

Formative assessments include teacher generated tests and i-Ready Reading and Math and school wide writing prompts. Teachers may give tests at their discretion to determine student progress. Results of the i-Ready and writing assessments are provided to parents. Summative assessments include the Assessment of Performance toward Proficiency in Languages (AAPPL) language proficiency examination for students enrolled for five years or more, NC EOG assessments and other state mandated assessments. These tests are used to measure student success at meeting established school or state standards.

ATTENDANCE REGULATIONS

School policy and state laws are clear about school attendance. Regular attendance is necessary if a student is to make satisfactory progress. Therefore, students are expected to attend school regularly. A written excuse for each absence should be presented to the front office within three school days. Absences from school are categorized as either lawful or unlawful. A note from a parent or guardian, physician, legal office, dentist, or other recognized medical professional is required for each absence. The note should include the date, the student's full name, the parent's full name, the date(s) of absence(s), the phone number of the parent/guardian and the required signature. EVA has an optional form available at the front office and it is also shared with parents electronically to make the process of completing a parent excuse easier. The importance of punctual and regular attendance for every student cannot be overemphasized. Any student who is absent more than ten days, lawfully or unlawfully, will have each absence reviewed. All absences over ten must be classified as a lawful absence (medical, legal or death in family). A student may be retained at the current grade level if the attendance requirements are not met. Family obligations requiring three or more consecutive absences will be reviewed by the school administration and may qualify as an administratively excused absence. This type of absence must be approved one week prior to the absence.

ATTENDANCE REGULATIONS / OFF CAMPUS

All appropriate attendance requirements apply to off-campus students as well as on-campus students. Off-campus students are expected to sign-in and attend their scheduled classes / course each time they are offered and/or complete assignments posted in the Google Classroom. Our goal is for all our students to progress in their academic achievement. Off-campus students who miss a class due to technological problems will be given the opportunity to complete their work and will be counted as present when the completed work is turned in in accordance with the required due date established by the teacher.

BOARD OF TRUSTEES

East Voyager Academy is led by a seven-person Board of Trustees. The Board is responsible for establishing the vision and direction of the school. In order to fulfill their duties, the Board meets once each month. During their monthly meetings there is an opportunity to provide public comments to the Board. Times and locations of the monthly East Voyager Academy Board meetings are posted on the front doors of the school and on the school's website.

BULLYING

East Voyager Academy prohibits any acts of harassment, intimidation or bullying of a student by students, staff and third parties which interferes with or disrupts a student's ability to learn and the school's responsibility to educate its students in a safe and orderly environment, whether such acts occur in a classroom, on school premises, at a school sponsored activity or event whether or not it is held on school premises, or at another program or function where the school is responsible for the student. For purposes of this policy, harassment, intimidation, or bullying is defined as a gesture, a written, verbal, physical or sexual act, or electronic communication, to include cyberbullying, which is the use of cell phones, instant messaging, email, chat rooms or social networking sites such as Facebook and Twitter that is reasonably perceived to have the effect of either of the following.

- Harming the student physically or emotionally or damaging a student's property or placing a student in reasonable fear of personal harm or property damage.
- Insulting or demeaning a student or group of students causing substantial disruption in, or substantial interference with, the orderly operation of the school.

Any student who believes that he/she has been subjected to harassment, intimidation or bullying in violation of this policy is encouraged to file a complaint with school administration. Complaints will be investigated promptly, thoroughly and confidentially. All school employees are required to report alleged violations of this policy to the CEO/Principal. Reports by students or employees may be made anonymously, although disciplinary action will not be taken against any person solely on the basis of an anonymous report.

The school prohibits retaliation or reprisal in any form against a student or employee who has filed a complaint or report of harassment, intimidation or bullying. The school prohibits any person from falsely accusing another of harassment, intimidation or bullying.

The administration expects students to conduct themselves in an orderly, courteous, dignified and respectful manner. Students and employees have a responsibility to know and respect the policies, rules and regulations of the school. Any student who is found to have engaged in the prohibited actions outlined in this policy will be subject to disciplinary action. Any employee who violates this policy will be subject to disciplinary action. The school may also refer any individual who has violated this policy to law enforcement.

Our expectation is that students and staff live up to our Core Values and our motto. **Be Kind. Work Hard. Act Smart.**

CAFETERIA INFORMATION

Students may bring breakfast and/or lunch or they may purchase meals at school. The menu is posted on the website at the Payment Portal (Skookii). Orders must be placed by noon on each Friday for the following week. Students are expected to keep the cafeteria neat and clean while making it a pleasant place for all by being courteous and respectful. Families who qualify for free or reduced lunch under federal guidelines will qualify for reduced prices.

Note: As part of our response to the COVID-19 public health crisis, meals will be delivered using a box or bag system instead of a serving line. Students will sit physically distanced while in the cafeteria.

CHANGES IN STUDENT INFORMATION

The school offices must always have a current address and telephone number. Please notify the front Office Receptionist or the Registrar immediately when changing address, telephone number or place of employment occurs. The school telephone number is (704) 412-6988.

CHEATING

Cheating is not acceptable behavior of East Voyager Academy students and will not be tolerated. Each teacher will explain their classroom procedure concerning cheating. If a teacher confirms a case of cheating or plagiarism, appropriate disciplinary action will be taken to include suspension.

CHILD ABUSE

Any teacher, nurse, counselor, or other school professional acting in an official capacity who has reason to believe a child under age 18 has been subjected to or adversely affected by physical, mental, emotional or educational abuse/neglect must make a report to the County Department of Social Services and/or appropriate law enforcement agency in accordance with North Carolina law.

COMMUNICATION

Communication between students, parents, and school staff is crucial to the success of students. Parents are strongly encouraged to check Class Dojo, Facebook, emails, and BrightArrow regularly for school news and updates.

To best address your specific classroom concerns, please contact your child's teacher before contacting the school administration as the teacher will have the most information regarding your concern. Parent conferences are welcomed and encouraged. If you would like to meet with your child's teacher(s), please contact them to set up a time and date to talk. We encourage our teachers to meet with parents as a teaching team so parents can get input from multiple sources and classes.

Teachers are asked to respond to email from parents or students within twenty-four hours whenever possible. Should you need an immediate response, please call the school. Teachers are expected to meet with parents in conferences as needed. Conferences need to be scheduled with the teacher in advance. Teachers cannot meet with parents during arrival and departure times or for drop-in meetings.

Note: Parents of off-campus students, please do not use the live classroom link as an opportunity to speak with teachers. This time must be dedicated to classroom instruction.

CODE OF CONDUCT

We are aware that students are easily influenced by what they see and hear in the world. However, the climate and culture at East Voyager Academy will be one of respect where students are valued and honored. Student clothing, actions and work should promote respect for all ages, races, sexes, religions, and cultural diversity. Student work or attire cannot contain profanity, inappropriate slang, or expressions glorifying, depicting, or promoting racism, alcohol, violence, drugs or tobacco products.

Students are expected to always have proper behavior. The administration will treat all students as individuals while ensuring all students are treated fairly. Students who demonstrate improper behavior may be assigned any of the following consequences: administrative conference, parent conference, temporary removal from class, detention, in-school suspension and/or possible out of school suspension. Serious offenses or continued misbehavior may require a referral for expulsion.

The framework below provides a guide for students, parents, teachers, staff members and the Leadership Team on how we generally address discipline concerns at East Voyager Academy. This framework is not meant to be inclusive. There may be actions or events that occur outside of those addressed below. The Principal and Leadership Team will always gather information and use their best judgment to determine the appropriate disciplinary action(s) to take.

We believe in making sure students understand our behavioral expectations and reinforcing/rewarding positive behaviors. Our goal is for every student to behave properly in school so that they and their classmates have the very best opportunity to learn and grow. However, students who do not demonstrate appropriate behavior will be subject to measured discipline.

Ongoing behavioral issues:

An intervention meeting will be convened when the number of out-of-school suspensions for Level 1 to 3 infractions equals or surpasses seven days.

The hearing will include the students core teachers, MTSS interventionist or registrar and at member(s) of the Leadership Team. The hearing will determine the best course of action for addressing the students’ inability to meet behavioral expectations.

The parents will be required to attend a follow-up meeting to discuss the results of the intervention

meeting and determine how best to support their child.

Should a student receive an out of school suspension after the Phase 1 intervention meeting the CEO/Principal/Principal will meet with the parent(s) to discuss the student's future at East Voyager Academy. The CEO/Principal/Principal will indicate that any future behavior referrals may result in recommendation for more serious discipline including recommendation for expulsion.

Should the student have subsequent behavior issues after the parent meeting, the CEO/Principal will strongly consider recommending expulsion from East Voyager Academy

Serious Incident / Action:

Should a student commit a level 3 offense, the CEO/Principal with input from members of the Leadership Team will strongly consider recommending expulsion from East Voyager Academy. Level 4 offenses will result in an expulsion.

Discipline of EC Students (IDEA)

Discipline of students with disabilities Students with disabilities may be disciplined just as nondisabled students are. Nevertheless, certain additional protections are available for students whose conduct is related to their disabilities. If a student with an IEP is experiencing repeated behavior incidents, an IEP meeting will be convened to review goals and objectives for the student. Functional Behavioral Assessments and Behavior Intervention Plans Functional behavioral assessments and behavioral intervention plans can be used to address behavioral issues. The law requires that they be used at certain times, but the child's team can decide to use them any time they would be helpful. A Functional Behavioral Assessment or FBA is formal process for helping teachers and parents understand the causes of a child's behaviors. A Behavior Intervention Plan or BIP is a plan designed to support the child so he can behave in more acceptable ways. As the name implies, the primary purpose of a BIP is to identify interventions, not punishments. Interventions can be designed to alter the environment, minimize the triggers, or give the student an alternative strategy. The plan might identify meaningful incentives or rewards.

A special meeting of the student's IEP team is required when a student is facing suspension of school for more than 10 school days. Called a Manifestation Determination Review, or MDR, the meeting focuses on whether the behavior leading to the suspension is related to the child's disability. An MDR must be scheduled if the student with a disability could be out of school for more than 10 days in a school year. These 10 days can be altogether or can be an accumulation of 10 days due to several short-term suspensions. The results of the MDR will guide the administration on next steps for addressing student behavior issues. For more detailed information please select the Programs Menu Tab on the school website to access the Parents Rights and Responsibilities Handbook.

CURRICULUM AND INSTRUCTIONAL DESIGN

EVA recognizes the whole-school language immersion model as the most efficient platform for children to achieve bilingual proficiency. We firmly believe that allowing children the opportunity to learn a second language while they are young not only produces stronger students academically, but also teaches them the value of their global citizenship.

EVA strives to serve families across the Charlotte region who desire the rich experience offered through a culture and language immersion education. Our education plan is a whole school Mandarin immersion model. Unlike the traditional method of teaching a second language, the basis of an immersion program requires the target language, which is Mandarin at EVA, to be taught through content rather than as a foreign language. Certain subjects, such as mathematics and science, are specifically taught in the targeted language. Students gain a working knowledge of Mandarin as they are studying subject content. This is the same natural process that occurred as they learned their native language. In the Mandarin instructed classes, no spoken English will be allowed as students are totally immersed in the targeted language.

Research data has shown that a well-designed whole school language immersion model not only offers the most efficient platform for children to achieve bilingual proficiency, but also produces better academic results from its students than traditional one language programs. A second language stimulates different parts of the brain such that bilingual students gain additional cognitive benefits. EVA takes advantage of this fact by aiming for rigorous academic standards. The use of the immersion model gives our students an advantage that will help them better attain the NC standards. Moreover, rich cultural content will be naturally integrated into our program as students learn the new language. A curriculum hub with more detailed information can be found on the EVA website.

DIRECTORY INFORMATION

According to school policy, directory information regarding students will be handled in a manner consistent with the Family Educational Rights and Privacy Act (FERPA) as amended. Parents are provided the opportunity to indicate permission for directory or other school media publication.

DELIVERY OF ITEMS TO STUDENTS

Due to allergies and interruptions to instruction, we are unable to deliver flowers, balloons, etc. to students at school. Requests to deliver routine items such as lunches, musical instruments, homework, projects, and messages will be honored. Students will be called to pick up such items during designated class change times.

DRESS CODE

Clothing should not be so extreme or inappropriate to the school setting as to disrupt the educational process. Therefore, clothing deemed distracting, revealing, overly suggestive or otherwise disruptive will not be permitted. Clothing or accessories (IE. book bags, jewelry, hats, etc.) that display alcohol, tobacco or other drug symbols are not permitted. Skirts, dresses and shorts will be longer than fingertip length. Special dress or costumes may be worn during the school day for special occasions when approved by the CEO/Principal. Hats, hoods and bandannas are not permitted inside the school building.

Note: In response to the COVID-19 public health crisis students are required to wear face masks when announced by the school administration or Board of Trustees in response to Covid conditions or surge.

UNIFORM DRESS CODE

Students are required to wear school uniform-colored shirts and pant/skirts/short/jumpers. School approved shirts are collared shirts that are navy, orange or gray. School approved pants/skirts/shorts/jumpers are navy or khaki. Students may wear blue jeans (not ripped or faded) on Friday with a school spirit tee shirt. Students are encouraged to wear collared shirts that have the school logo. These shirts are available for order during the summer or for purchase from the school store. Students who are in need of financial assistance because they are homeless or have some other economically disadvantaged situation will be provided assistance in complying with the school dress code. For more information, please contact the Business Office Manager or the Family Liaison. Special themed dress days will be announced by the Principal. Students' costumes must still align with dress code expectations.

The chart below provides more details about the uniform dress code requirements.

EARLY DISMISSALS

Students are expected to attend each class each day of the school year, except for medical and family emergencies. In case of an emergency or an unusual need to leave campus before the end of the school day, an early dismissal for a student may be requested by the parent/guardian. For middle school attendance, classes missed due to an early dismissal are counted as class absences.

Please follow these guidelines when requesting early dismissals:

- Except in an emergency, early dismissal must be requested in writing by the parent/guardian.
- Dismissal notes must include the following: student's name and grade, date and time of early dismissal, reason for early dismissal, telephone number where parent/guardian can be reached and the signature of the parent/guardian.

- At the time of dismissal, the student will be called to report to the front office to be signed out. Students are not allowed to leave school unsupervised. A parent/guardian must pick them up and sign them out prior to 2:30 pm. From 2:30 until 3:30 parents will use the carline process to pick up their student.

Special note: As we are working to keep our school safe and healthy during the COVID-19 public health crisis, non-student staff access to the school is limited.

EMAIL AND INTERNET USE

- Students are responsible for appropriate use of the Internet, email and the school network.
- Network usernames and emails belong to East Voyager Academy.
- Passwords must be kept secure.
- Communication on our network, and East Voyager Academy email, will be monitored.
- All communications should comply with the Children's Internet Protection Act.
- Prohibited files, including profane images, songs, text, and multimedia are not to be visited nor downloaded on school devices.
- Users should not expect files created on East Voyager's devices or network to be private.
- Students will not attempt to filter or block internet communication while on the EVA network.
- East Voyager Academy is not liable for harm or injury that is the consequence of any inaccurate information the user may obtain through the Internet and Electronic Mail Services.
- Misuse of email and the Internet will result in disciplinary action.

EMERGENCY DRILLS

The school will hold regular emergency drills. It is expected that all students on campus at the time of such drills will participate fully. Failure to do so could possibly put other students in danger and will be treated as a serious discipline offense. Should you find yourself on campus while a drill is taking place, please participate with your child. We have three basic emergency drills:

- Evacuation – An evacuation occurs when there is a reason that all staff and students must leave the school building. The most common evacuation drill is a fire drill.

- Lockout – During a lockout, the perceived danger is outside of the school. This is normally implemented when a crime has taken place in the vicinity of the school. No one will be allowed in or out of the building during a lockout. All activities inside the school continue as normal.

- Lockdown – During a lockdown situation, the perceived danger may already be inside the building or specifically directed toward a target in the school. All students and any person in the school seeks immediate shelter. All activities cease. Students MUST remain quiet.

The school will have at least one fire drill per month within the school hours. Specific signals and procedures have been established for all types of disaster drills, and safety areas have been designated. Teachers are equipped with instructions, and all drills will be practiced with students on a regular basis. The entire school will practice weather and security lockdowns. During these drills, no one will be allowed to enter or leave the school.

ENROLLMENT AND LOTTERY

Admission to EVA is granted only on availability. No tests or interviews are required to enroll. A lottery will be held if any grade level has an excess of enrollments. After our maximum enrollment has been met, students desiring to enroll will be placed on a waiting list.

Priority enrollment reflecting the NC laws will be given to siblings of current students. As included in the Enrollment Policy posted on our website, East Voyager Academy will have a weighted lottery when a lottery is required.

EVA will follow all rules and regulations regarding enrollment priority as required by applicable North Carolina law.

The following groups will have enrollment priority at EVA in the order that follows as space permits in each grade:

1. Children of full-time employees and board members (may not exceed 15% of total school population).
2. Siblings of currently enrolled students who were admitted to EVA in a previous year (as determined by Charter School law G.S. 115C-218.45(f)(1)). For purposes of this subsection, "siblings" includes any of the following who reside in the same household: half siblings, step siblings, and children residing in a family foster home.
3. Children who meet the criteria of the federal definition of educationally disadvantaged (ED students), which include the following subgroups of students:
 - Students who are economically disadvantaged;
 - English learners;
 - Students with disabilities;
 - Homeless or unaccompanied youth;
 - Immigrant students; and
 - Migrant students.

EVA will institute a priority lottery for remaining seats available in order to achieve the goal as specified below for students meeting ED criteria.

Open Enrollment will begin on the first business day of January and will end on the first business day in March. The lottery will be held three weeks from the first business day in March.

FEES

There may be occasions when students/families have received services or materials that must be paid for with fees. Examples include late fees for school provided services, extracurricular activities, supplemental academic material (including student workbooks), technology fees, etc. Fees are not refundable. Additional expenses may include class field trips, school t-shirts, yearbooks, fall and spring school pictures and event admission tickets. Families who qualify for assistance or reductions in fees based on grant or family income requirements will be notified.

FERPA NOTICE AND CONFIDENTIALITY

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. § 1232g; 34 CFR Part 99) is a federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
- Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions (34 CFR § 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies for or on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies; and
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, date and place of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school. Annually parents have the opportunity to provide their preference regarding consent for "directory" information on the enrollment and re-enrollment questions in Lotterease.

FUNDRAISING

Various groups and clubs will sponsor fundraising for a variety of charities and organizations. Participation is voluntary. All requests to fund raise must be approved by the School Finance Office and the Principal.

GIFT GIVING

We recognize that our students develop close relationships with their fellow classmates and may

want to give gifts. However, in order to maintain the academic environment, and provide a space where all students feel included, the giving of personal gifts between students is not allowed on school grounds.

GRADE REPORTS AND DISTRIBUTION

Report cards and interims will be issued eight times per year. The grading scale below will be utilized for Grade 1 to 8.

A = 90 – 100

B = 80 – 89

C = 70 – 79

D = 60 – 69

F = Below 60

Related Arts and 4K, 5K will use a five-point scale with 5 being Excellent and 1 being Unsatisfactory in PreK to 5th grades. For Mandarin, students 3rd to 5th grade students new to EVA will not receive a grade the first year.

Parents will be contacted for a conference if their child has a 59 or lower average in any core subject at the end of the grading period.

HALL PASSES

Students are expected to remain in class or assigned areas. Staff members will issue written passes for a student to leave class or an assigned area. The pass must specify the student's name, destination, date, and time. Students who "cut" class or wander to areas not allowed by the pass will be subject to disciplinary action.

HEALTH ROOM PROCEDURES

EVA does not have a school nurse on staff. Staff members are trained in CPR and First Aid and designated staff members are trained and responsible for providing students with medications as directed by the student's physician.

The classroom building is equipped with a first aid station to care for minor illnesses or injuries that occur at school. Injuries or health concerns that occur outside of school should be treated at home or by your healthcare provider. The school cannot diagnose or prescribe treatment. This is the responsibility of your family physician or health care provider.

There are times when a student should remain at home for his/her own welfare and for the protection of others. Students who have had any procedure requiring the use of sedation and/or anesthetic should not return to school until the anesthetic has completely worn off.

Students with a temperature of 100.4 or greater must remain home until their temperature is normal for 24 hours without the use of fever reducing medication. Students with vomiting or diarrhea must remain at home until they have been symptom free for 12 hours and been able to tolerate a meal. For other conditions that would require your child to remain at home please see the NC Department of Health and Human Services School Exclusion List for students. The exclusion list may be found at:

https://ncchildcare.ncdhhs.gov/Portals/0/documents/pdf/C/Communicable_Diseases_and_Exclusion.pdf

If a student develops a communicable disease, the parent should notify the school registrar/attendance officer.. This will allow notification to teachers to observe other students for symptoms or to notify appropriate persons if needed. Parents should also notify the school registrar/attendance officer of any special health needs.

In the event a student becomes ill or injured and needs to go home, the persons listed on the health card will be contacted and expected to come for the child immediately. For this reason, the school should be kept up to date on any changes in phone numbers of those persons to be contacted in an emergency. When parents are called to pick up a sick child, they must make arrangements to pick up

as soon as possible.

Medications to be taken during school hours must be brought to school and delivered to the Registrar or Family Liaison in the original container with all labels intact. Over the counter medications should only be sent to the school for a specific condition your child is known to experience. Whenever possible, medications should be given before or after school. All medications must be accompanied by parental permission and prescription medication also requires written authorization from the prescribing physician or health care provider. Herbals, food supplements, alternative medicinal products and other items that do not have FDA approval will not be provided at school.

Most of the student visits to the front office with a health concern do not require verbal notification of a parent or guardian. The school will send an Owie Form home to the parent for notification of a minor injury and the parent will be called for any more serious injury or symptoms.

Note: During the COVID-19 public health crisis we are taking special precautions to keep our school safe and healthy and to respond to any potential COVID-19 cases. This is a very dynamic situation where guidance and information is changing rapidly. EVA follows the guidelines of StrongSchools NC Public Health ToolKit provided by the NC Department of Health and Human Services.

HOMEBOUND INSTRUCTION

In some cases, an illness or medical condition may require a student to miss school for an extended period of time. Please contact the registrar or Chief Academic Officer to discuss whether medical homebound, remote learning or another program might be necessary. It is the parents' responsibility to complete appropriate documentation to request services. Parents whose children require homebound must have the appropriate forms completed by the physician before homebound may begin.

HOMEWORK

We expect students to read for 20 minutes each night and to spend at least 15 minutes on Mandarin. Students are also expected to complete classwork in class. Any incomplete classwork may be assigned as homework.

Teachers may assign limited class-level homework to reinforce in-school learning and may assign individual homework to students to remediate or enhance in-school work.

Any homework will be used to reinforce student learning.

Teachers will provide expectations for homework for their grade level and content areas. It is the student's responsibility to see that daily preparation for each class is completed. It is the parent's responsibility to recognize that students who do their homework will have a greater chance for academic success and to help students make schoolwork a top priority. Students are provided logins for academic support programs such as Lexia, IXL, i-Ready. Students are expected to work in online programs in math for 100 minutes and in reading for 100 minutes per week.

INDIVIDUAL WITH DISABILITIES ACT (IDEA)

Students ages three through 21 years of age may receive services under IDEA if the student needs special education and related services to benefit from his or her educational program. A team decides if a student qualifies for services under IDEA. The team includes the student's parent(s) or legal guardian, teachers and other school staff. The team develops an individualized education program (IEP) if the student meets federal and state requirements. The IEP outlines a plan for helping the student receive a free, appropriate public education and meet goals set by the team. Additional

information about Exceptional Services and IDEA can be found on the school's website under Federal Programs.

LIBRARY

The library maintains a variety of materials and media to enhance and expand student learning in both English and Mandarin. The library is open during the school day. A free loaner library is available for students in the cafeteria. Students are encouraged to find a book to read during early morning drop off and to take home that book to complete reading. Students are encouraged to return books to the little library when they have completed reading the book. This library is operated on the honor system. On-line library services are provided to students and parents through WiseOwl and ONE Access (please see landing page for online resources on the school website).

LOST AND FOUND

Parents are asked to label their student's personal items (jackets, sweaters, lunchboxes, water bottles, notebooks, etc.) with the student's full name. If items are lost, parents and students are asked to check the lost and found area in the school office. Any items that are unclaimed after being held for two weeks will be donated to charity.

MAKE-UP WORK

Students will be permitted to make up work missed during an absence. This work must be completed within three days unless an extension is granted by the teacher. Parents and students are encouraged to check the Google Classroom for assignments. Students whose absence results in missing a test will be provided a scheduled opportunity to make up the test(s) missed within three days. In rare cases, the principal may provide extra make up days for assignments.

MONEY, TOYS, PERSONAL PROPERTY

Students are encouraged to leave money and other valuable property at home, especially cell phones. **The school assumes no responsibility for the loss or theft of such articles.** Toy weapons are strictly prohibited. Students should not bring other items such as toys, games, virtual pets, electronic gaming devices, etc. Young students who bring toys to school are distracted or may cause distractions with the toys. Only allow toys to be brought if a teacher gives a written notice to parents allowing it for a school activity such as Show and Tell for younger grades. Gum is **NEVER** allowed in school. Please help us keep our school beautiful!

MULTI-TIERED SYSTEM OF SUPPORT (MTSS)

MTSS is a multi-tiered framework which promotes school improvement through engaging, research-based academic and behavioral practices. NC MTSS employs a systems approach using data-driven problem solving to maximize growth for all. North Carolina Department of Instruction's vision for MTSS is that every North Carolina pre-Kindergarten-12th grade public education system implements and sustains all components of a Multi-Tiered System of Support to ensure college, career, and community readiness for all students.

NONDISCRIMINATION

East Voyager Academy does not discriminate on the basis of race, color, national origin, sex, disability, age, religion, or immigrant status. Students, staff/employees, parents, families or visitors will not be excluded from participation in or denied the benefits of, nor be subjected to discrimination in its education programs, activities, admissions and employment. Contact Ms. Heather Escalante

(hescalante@eastvoyager.org) or calling (704) 412-6988 for questions pertaining to Title VI, Title IX or Section 504.

OFF-CAMPUS LEARNING

We are very excited that we can offer both on-campus and off-campus learning opportunities for our students who qualify according to NC DPI policies. For more information on Remote Learning, contact the Chief Academy Officer. Most students do not qualify for Remote Learning and benefit from a face to face learning environment. For students who do qualify, we will work together, to ensure that all our students stay on track and have a great school year.

Administration will evaluate off-campus learning quarterly and make changes which may affect offerings, and/or student schedule. The Principal will consider other changes to a student's learning system on a case-by-case basis. We recognize that off-campus parents are taking on additional responsibility for their child(ren)'s learning.

Tips for Keeping Your Learner On Track

- Create alarms for your student that indicate when they need to switch class.
- Print out a schedule and keep it visible.
- Set the student up so that a wall is behind them.
- Allow the student to wear earphones.
- Work with your student to decide how to use Flex Time.
- Request your homeroom teacher to attach you as a guardian via Google Classroom. This will allow you to receive weekly summaries.

Parent Responsibilities to Maintain Academic Environment

- Avoid hovering. We know students will need some help, but avoid coming on camera, or allowing others to view the lessons. This helps us comply with FERPA requirements and ensures students get as close of a school experience as possible.
- Once you are comfortable that your child has mastered the technical aspects of off-campus learning, it is best to remove yourself from the learning environment. Parents being in the room when learning is to occur can be distracting and inhibiting to students.
- Do not interrupt or speak during direct instruction. If you need to speak with the teacher, please set up a virtual meeting via email.

Usual Flow of the Day

- Open AM Google Classroom
- Check the Stream to see if there is anything to work on prior to the meeting.
- Join Meet at appropriate time. Note: the meet link won't unlock until it's time to join.
- Once Direct Instruction is over, go back to Google Classroom and find your independent practice.
- Repeat for next classes
- Use Flex Time to eat, get a little free time, read, and take a device break.

OUTSIDE FOOD ITEMS

Treats sent to school for recognition of birthdays or for class parties must be sealed in the original commercial container. No home baked goods are allowed. Students may not share food brought from home in their lunch boxes or multi packs opened by the student. No sharing of food is permitted during breakfast or lunch except when pre-arranged by the classroom teacher and distributed by the classroom teacher.

PARENT INVOLVEMENT

Quality Assurance

We want parents to feel welcomed in our school. Your input is appreciated and desired. If you need to voice a concern, please take the following steps:

Step 1- Contact your child's teacher to discuss the problem. Email is the quickest way to get a reply from teachers. They are teaching during the day and are not usually able to take phone calls until the afternoon. Our teachers are readily available to discuss concerns regarding your child. Teachers are expected to respond within 24 hours during the weekday.

Step 2- Contact the Principal or if an academic concern, the Chief Academic Officer. Parental concerns that cannot be resolved by the teacher should be redirected to the next level within the school. Your school administration is qualified and possesses the decision-making skills to solve most problems that may arise. If you have exhausted all levels of communication within the school, you may appeal to the Board of Trustees by providing the Board chairman with a written statement of your concern. Contact information for board members is available on the school website.

Volunteering

Parents are encouraged to participate in school-related activities, including those pertaining to curriculum and instruction, such as tutoring and storytelling. Volunteers may also help as office helpers, classroom assistants, school project or event directors. Monitors are needed on the playground and at student drop-off and pick-up. Other opportunities will arise during school events, extracurricular activities and community outreach projects.

If you are an employee of a business or a member of an organization that would like to volunteer to partner with our school, please contact the school office. Volunteer partnerships involve direct and indirect support to students, teachers and schools through donated time and resources.

A log of volunteer hours is kept in the school office. Volunteers are recognized annually.

Field Trips

We love to have parents participate on our field trips. Volunteers are welcomed to serve as chaperones. Parent chaperones are vital to ensure the safety of our students. We ask all chaperones to remain vigilant and attentive to all students throughout the trips. Due to insurance requirements, babies and children who are not enrolled at EVA may not attend field trips.

Parent Conferences

Parent/teacher conferences are held after the first quarter and before the third quarter to facilitate open communication between parents and teachers regarding students' progress. Refer to the EVA Public Event calendar on the website for specific dates.

EVA has an open-door policy. We want you in our school and encourage you to visit your child's classrooms. For student safety and to keep disruptions at a minimum, please sign in at the front office. Conferences with teachers and administrators can be scheduled at any time during the year.

Due to Covid, there may be time when visitation is limited which will be announced.

Parent Advisory Council

The parent advisory council meets quarterly to review programs, curriculum and progress for federal and state funded programs such as AIG, NC ACCESS, Title I, ML, and EC among other special programs and grants. The valuable input of parents helps guide planning and budgeting decisions.

Board of Trustees

The Board of Trustees is a seven-member body with each member serving three-year terms. Opportunities for parents to serve on the board via election or appointment are announced on the school website and through Bright Arrow email and text communications.

PARENT TEACHER ORGANIZATION (PTO)

The PTO is an important partner for our school. This organization provides parents and teachers with an opportunity to improve facilities and sponsor events and programs that are not normally funded. PTO members volunteer to help monitor testing, chaperone, plan special events, raise funds for projects and teachers and contact volunteers for special school needs. All parents are encouraged to join the PTO.

PAYMENTS

Methods of payment are cash (school store only), credit card (online only), bank card (online only), checks or money order. Checks and online payments should include parent(s) full name, street address, phone number, child's name and purpose for payment. When providing a check as payment, you authorize us either to use the information from the check to make a one-time electronic fund transfer from your account or to process the payment as a check transaction. If your payment is returned unpaid, we will collect a \$30.00 fee through an electronic fund transfer from your account or directly from you. This procedure applies to checks made to the school or to the PTO. Payments may also be made online through www.eastVoyagersc.org . For payments made online a surcharge may be assessed.

PERSONAL PROPERTY

Personal property that interferes with instruction should not be brought to school without the permission of a teacher or administrator. The school cannot and will not be responsible for lost, misplaced or stolen items or valuables.

Re-Enrollment

To assure your student's seat at EVA for the upcoming school year, parents must complete an intent to enroll form by the last day in December. Forms that are received after the deadline may require the student to be placed on a waiting list depending on space-availability.

RELIGIOUS ACTIVITY

All students at East Voyager Academy will be honored for their individual beliefs and/or religious preferences.

SCHOOL ACTIVITY ATTENDANCE

A student must either be at school or on a school sponsored activity (field trip, etc.) from 12:00

p.m. until the end of the school day to be allowed to participate in or attend after school activities and events.

SCHOOL CITIZENSHIP

Our school is a reflection of our school community, and we know that you share our pride in our school. We ask that you join us in keeping the building, grounds, and furniture in top condition and in displaying the characteristics synonymous with model citizenship.

Our motto: **BE KIND. WORK HARD. ACT SMART**

SECTION 504 REHABILITATION ACT OF 1973

Section 504 of the Rehabilitation Act of 1973 states that “no otherwise qualified individual with a handicap shall be excluded from the participation in, or denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” It is the responsibility of East Voyager to take reasonable steps to identify and evaluate students within the intent of the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 who need accommodations or special services or programs in order that such students may receive a free appropriate public education. Additional due process rights may be afforded students who are identified under Section 504.

SELLING AND ADVERTISING

The selling or advertising of items or services is permitted for school related activities only. Any school group that wishes to engage in such activities must obtain prior written approval by the CEO/Principal. Political activity using school property or resources is prohibited.

SPECIAL EDUCATION

Academically challenged students are provided with an opportunity to succeed at East Voyager Academy in the following ways: observation of classroom effort, formal assessments and evaluation by licensed professionals. We are committed to providing an immersion education experience to all students enrolled in our program including those with special needs. Following the identification of students who may need special education services, the teacher will document at least six weeks of classroom interventions prior to arranging a formal assessment to determine whether special education services are necessary.

SEVERE WEATHER ANNOUNCEMENTS

If severe weather-related conditions necessitate closing, delaying or having an early release, parents will be notified immediately using the parent communication platforms (ClassDojo and BrightArrow). The announcement will be placed on the school's Facebook page and website. The school will also alert local television and radio stations so that they can broadcast our status. Students are not required to come to school if the district in which they reside closes school for a weather-related issue.

STUDENT PICK UP/DROP OFF

Parents should thoroughly familiarize themselves with the map depicting designated pick-up and drop-off Voyagers and visitor parking areas at the school, and carefully follow the school's instructions for operating a motor vehicle in the vicinity of the school and its students.

Drop-Off

Students may be dropped off between 7:15 and 8:00 when a staff member is present, on duty. Staff on duty will assist students departing from cars during these times. Parents should only use the right lane (closest to the sidewalk) for drop-off. Please make sure your student is ready to exit your car quickly and safely. For safety reasons, parents should only drop off their children when an adult is present. Please be patient, follow the moving traffic and pull forward to drop off your child. If you wish to park and escort your child in, please park in a space away from the carline. You must escort your student across the crosswalk and positively turn-over your student to an East Voyager staff member.

Pick-Up

Parents should drive into the queue line and show the staff outside on duty their Card Number. Please place the card on the driver side dashboard or hang it from the rear-view mirror. All of the students associated with the card number will be brought to your car.

Dismissal begins at 3:15. After the first few days of school (please be patient) students have learned their numbers and dismissal is completed in about 20 minutes. After the classroom building gate is closed, parents may pick up in the front office by parking in a parking space and going to the front desk to sign out your student. The afterschool program, ASPIRE, begins at 3:45.

Parents wishing to pick a child up early from school must be present in the front office prior to them being called out of class. Students will not be called for early dismissal after 2:15 PM. Students will only be released to adults listed on the child's emergency card.

STUDENT RECORDS

Student records are maintained in accordance with Board policy and State and Federal law. If a student transfers and enrolls in a school other than East Voyager Academy, his/her educational records will be transferred to that school or school system upon request by the school/system. The parent has the right to request a copy of the record that was disclosed. Parents also have a right to request an amendment of educational records if they believe the record contains information that is inaccurate or misleading.

TARDY TO SCHOOL

When a student reports to school late, she/he must be signed in at the front office by the parent or guardian and bring a note of explanation from the parent or doctor. Those students without a lawful tardy will be credited with an unexcused tardy. Students accruing twenty unexcused tardies to school will participate with their parent(s) in an Intervention Plan Conference. Students accruing twenty-five tardies to school may be identified as truant and referred to the proper authority.

Note: We expect our Remote Learning students to be on time for school. Should technology or other circumstances cause a student to be tardy, he/she must not disrupt the class. Remote Learning students can be considered tardy.

TARDY TO CLASS

Tardiness to class interrupts learning time for the entire class. All students should be seated at their desks ready for instruction when the bell rings to begin class. Students with excused tardies should have a pass from the office or another teacher. Those without passes who are late to class are credited with an unexcused tardy. Excessive unexcused tardies will be reported by each teacher to an administrator for disciplinary action.

Note: We expect our off-c students to be on time for classes. Should technology or other circumstances cause a student to be tardy, he/she must not disrupt the class.

TECHNOLOGY USE

- Students will not physically deface, disable, or destroy devices.
- Hardware problems will be reported promptly to the IT Office.
- East Voyager has access to all school-owned devices, and internet activity **even when off campus.**
- Technology will be returned in working condition, undamaged, and with a working charging cord.
- Students will avoid eating and drinking around East Voyager Academy technology.
- Chromebooks will not be carried by LCD screen, nor will pressure be placed on the screen.
- Devices should not be left in cars, or in extreme heat or cold.
- Devices should not be jerked by the power cord.
- If a device breaks, or needs cleaning, submit a ticket to the IT Office for repairs.
 - An invoice will be issued based on the extent of repairs required.
 - Do not attempt to open, or repair devices.

TRUANCY

A student is considered truant when the student has more than 10 unexcused absences. A truancy Intervention Plan will be developed by the school, the student, and the parent(s) prior to any referrals to authorities.

TELEPHONE USE

There is a telephone available in the front office for student use before school begins and after school ends in the event of a serious need to contact their parent(s). Should an emergency arise during the day, phones are available throughout the building. Students are not permitted to use cellphones during the school day or during the afterschool program, ASPIRE. If a student chooses to bring a cell phone to school and the cell phone is visible to staff then the cell phone will be confiscated and returned to the parents during a conference.

TEXTBOOKS AND CHROMEBOOKS

School textbooks and Chromebooks are issued to students at the beginning of each year. If a textbook or Chromebook is damaged or lost, the replacement cost will be determined, and a bill will be provided to the parents. Students/Parents are responsible for repair/replacement costs for loss or damages that are not normal wear and tear.

TOBACCO POSSESSION AND USE

East Voyager Academy is a tobacco free school. Students are not permitted to use, transfer, or possess tobacco products or tobacco paraphernalia while on school grounds, in the school buildings or during any other time that the student is under the jurisdiction of the school whether on or off school grounds. This includes electronic cigarettes. Parents must refrain from tobacco use on school grounds.

UNAUTHORIZED AREAS

Before school (7:15 – 8:00) students should be in the cafeteria, library or with a teacher. During class time, students who are not in class must have a pass. At dismissal, students should report directly to the car line or their afternoon activity.

Note: During the COVID-19 public health crisis we are taking extra steps to ensure students do

not congregate in any area of the school. We are training students on how best to keep appropriate physical distance and insisting that they comply with this requirement.

For more information about vaccine preventable diseases and immunizations recommended, please refer to the Centers for Disease Control and Prevention (CDC), the Advisory Committee on Immunization Practices (ACIP), and the Immunization Action Coalition.

VIDEO MONITORING WHILE ON SCHOOL GROUNDS

To promote the safety and welfare of students and staff members while they are on school grounds, video cameras have been placed throughout the school. Therefore, while on school grounds, all individuals are subject to video and audio monitoring. Students and parents are hereby notified that individuals are subject to being videotaped on school grounds at any time and videotapes are reviewed as required to determine the safety of students and staff.

VISITOR PROCEDURES

Parents are welcome and encouraged to visit East Voyager Academy. However, all guests must check in with the front office and receive a visitor's pass before entering other areas of the school. When possible, we ask for a 24 hour notice before parents come to visit classrooms.

Only parents and/or legal guardians may visit a student during the school day without permission or coordination. All persons other than parents and legal guardians wishing to visit a student must first receive written permission from the parent/legal guardian. The permission must be given to the school office in advance of the visit. Any court order restricting parental visits to a child supersedes this policy.

Please follow these guidelines for visitors other than parent/guardian:

- Permission for visitors other than parent/guardian must be requested by the parent/guardian.
- The visitor request must include the student's name, date, time, and location of the visit, the name of the

visitor, and the signature of the parent/guardian. Visitors must abide by the dates, times and they have requested.

- The visitor request must be submitted to the school office prior to the visit.
- All visitors will be required to have their ID scanned through the database.
- Drop off and pick up times are the most vulnerable security times for a school. We ask that parents refrain from unannounced visits during these times.
- Visits may be denied if students are taking assessments or if the visit would create a disruption to learning.
- Students from other schools may not be on the East Voyager Academy campus without prior approval of the administration.

Note: In response to the COVID-19 public health crisis, we are severely limiting any outside visitations to our school buildings. There must be an exceptional reason for the requested visit. All visits must be approved in advance by the CEO/Principal.

WATER BOTTLES AND SNACKS

Water bottles will be allowed at school. Teachers will determine if a snack break is needed or appropriate in their class. Teachers will also approve snacks for special occasions or as a part of lessons and/or demonstrations. Students with health issues or taking medication that requires a snack will be accommodated by the school principal or designee coordinating with the teacher and parent.

WITHDRAWALS

Parents who are withdrawing their student from school should notify the Registrar's Office at least three days in advance of the withdrawal date. The student and parent should report to the office by the end of the last full day he/she is in school to complete the withdrawal process and sign the withdrawal form. All materials and fees should be resolved prior to withdrawal.
